Co-Founder, Project Manager

Gainesville, FL

- Graduated the company from the Co.Accelerator pre-accelerator program.
- Managed a team of three employees, their schedules, and their paychecks.
- Developed the user experience and creative direction behind the company.

TranSystems

July 2016 – August 2016

Bridge Engineering Intern

Miami, FL

- Analyzed and critiqued bridge inspection reports and directly coordinated with the FDOT.
- Organized and created engaging office events and get-togethers to improve the office culture.

LEADERSHIP & INVOLVEMENT

Entrepreneurship Collective at The University of Florida

May 2018 – Present

President, Advisor

Gainesville, FL

A college-sponsored community dedicated to building a culture of entrepreneurship at UF

- Oversaw the visual design and created the branding for the organization's transition from Entrepreneurship Club to Entrepreneurship Collective
- Led a team of more than 10 board members, and more than 60 returning members at each meeting.
- Organized numerous events including a hackathon and a startup recruiting event with over 200+ attendees

Dance Marathon at The University of Florida

May 2017 – May 2018

Assistant Director – Campus Events

Gainesville, FL

The largest student organized fundraiser in the southeast United States

- Created the first ever Miracle Games co-event with the FTKickoff. Engaged over 500 people in a single-day event.
- Managed and Facilitated a team of 12 individuals every week through the Fall and Spring Semester.
